

INDIAN ISLAND
INDIAN RESERVE NO. 28

KEY PLAN
SCALE 1 : 50 000

LEGEND

- | | |
|-------------------------------------|---|
| MAN MADE | BUILDING |
| ● Telecommunication Tower | ■ Main Building |
| ○ Post | ■ Chimney Stack |
| ○ Manhole | ■ Secondary Building |
| ○ Catch Basin | ■ Silo |
| × Lighting Fixture | ■ Building Under Construction |
| ○ Fire Hydrant | ■ Ruins |
| — Wall | ■ Undefined Buildings |
| — Fence | |
| — Advertising Hoarding | |
| — Telecommunication Tower | |
| — Paved Parking Area | |
| — Unpaved Parking Area | |
| TRANSPORT | RESOURCES MANAGEMENT |
| ● Bollard | — High Tension Power Transmission Lines |
| — Traffic Lights | — Pylon |
| — Bumper | |
| — Grade Crossing Signal | |
| — Helipad | |
| — Marine Navigation Light | |
| — Limited Access Highway | |
| — Paved Road or Street | |
| — Unpaved Road or Street | |
| — Road or Street Under Construction | |
| — Disused Road or Street | |
| — Alleyway | |
| — Private Road | |
| — Driveway | |
| — Shoulder | |
| — Guard Rail | |
| — Road Signage Panels | |
| — Pedestrian and Bicycle Paths | |
| — Steps | |
| — Walking Trails | |
| — Off-Road Vehicle Trail | |
| — Stairs on a Footbridge | |
| — Railway | |
| — Grade Crossing Gate | |
| — Dry Dock | |
| — Bridge | |
| — Covered Bridge | |
| — Stairs | |
| — Turntable | |
| — Paved Landing Strip | |
| — Unpaved Landing Strip | |
| | ADMINISTRATIVE |
| | — International Border |
| | — Interprovincial Border |
| | — Intermunicipal Boundary |
| | HYDROGRAPHY |
| | — Culvert |
| | — Water Boundary |
| | — Water Boundary Not Defined on Photographs |
| | — Narrow Watercourse |
| | — Waterfall |
| | — Rapids |
| | — Swamp |
| | — Waterbody |
| | LAND |
| | — Tree |
| | — Hedge |
| | — Landfill |
| | — Island |
| | — Wood |
| | ELEVATION |
| | — Index Contour |
| | — Intermediate Contour |
| | — Elevation or Index Contour |
| | — Spot Height |
| | — Elevation Region Water |

NOTES

This plan was prepared for Indigenous Services Canada.
The digital map is based on 15 cm pixel resolution digital photographs taken on October 9, 2024, project 202424021, photos 28 to 33 and 36 to 41.
New Brunswick Double Stereographic Projection, NAD83 CSRS - Epoch 1997.0, Central Meridian: 66°30'00", Vertical Datum: CGVD2013.
Available from Natural Resources Canada, Surveyor General Branch, Atlantic Regional Office, Amherst, Nova Scotia.
