

TOBIQUE
INDIAN RESERVE NO. 20

KEY PLAN
SCALE 1 : 100 000

LEGEND

MAN MADE

- Telecommunication Tower
- Post
- Manhole
- Catch Basin
- Lighting Fixture
- Fire Hydrant
- Via
- Fence
- Advertising Hoarding
- Telecommunication Tower
- Paved Parking Area
- Unpaved Parking Area

TRANSPORT

- Bollard
- Traffic Lights
- Bumper
- Grade Crossing Signal
- Helipad
- Main Navigation Light
- Limited Access Highway
- Paved Road or Street
- Unpaved Road or Street
- Road or Street Under Construction
- Private Road
- Private Road
- Driveway
- Shoulder
- Guard Rail
- Road Signage Panels
- Pedestrian and Bicycle Paths
- Steps
- Walking Trails
- Off-Road Vehicle Trail
- Stairs on a Footbridge
- Grade Crossing Gate
- Dry Dock
- Bridge
- Concrete Bridge
- Turntable
- Paved Landing Strip
- Unpaved Landing Strip

BUILDING

- Main Building
- Chimney Stack
- Secondary Building
- Silo
- Building Under Construction
- Ruins
- Undefined Buildings

RESOURCES MANAGEMENT

- High Tension Power Transmission Lines
- Pylon

ADMINISTRATIVE

- International Border
- Interprovincial Border
- Municipal Boundary

HYDROGRAPHY

- Covert
- Water Boundary
- Water Boundary Not Defined on Photographs
- Narrow Watercourse
- Waterfall
- Rapids
- Swamp
- Waterbody

LAND

- Tree
- Hedge
- Landslip
- Island
- Wood

ELEVATION

- Index Contour
- Intermediate Contour
- Elevation or Index Contour
- Spot Height
- Elevation Region Water

NOTES

This plan was prepared for Indigenous Services Canada.
The digital map is based on 15 cm pixel resolution digital photographs taken on October 2, 2023, project 202224000, photos 62 to 64 and 73 to 76.
New Brunswick Double Stereographic Projection, NAD83 CSRS, Epoch 1997.0, Central Meridian: 66°30'00", Vertical Datum: CGVD2013.
Available from Natural Resources Canada, Surveyor General Branch, Atlantic Regional Office, Amherst, Nova Scotia.
